

Joshua Bristol

Seeking to improve user experience through intelligent and engaging user interface, application, and video game design.

WORK EXPERIENCE

Details Doctor — Chibur, Miami FL

May 2018 - PRESENT

Production duties, administrative work, landscape design, event planning, website admin.

AT&T Chat Agent — Talk2Rep, Fort Lauderdale FL

January - March 2015

Work from home position. Worked on sales, customer service, and occasional tech support for AT&T customers shopping on att.com. Engaged in building rapport with customers through chat. Drove sales of iPhone, Android, Windows, and Blackberry phones by demonstrating product knowledge. Helped customers navigate the complexities of AT&T plans and features as well as online account management.

Bookseller — Books Inc., San Francisco CA

November 2004 - April 2014

Specialized in calling and organizing special orders, completed cash register duties with high accuracy, and practiced different bookselling techniques. Worked as an integral part of the Books Inc. staff and developed strong customer service skills. Focused on organizing sections, writing staff reviews, and providing relevant and interesting book recommendations to customers.

PROJECT EXPERIENCE

Project IA — Connecting content creators and publishers

Created a blogging website that connects content creators with content publishers through a unique bidding experience.
